Use our [Resources](#) to help you decipher the text. Remember that it is unlikely that you will be able to solve the whole text, but even one new symbol can be useful. Anyone who successfully describes a new symbol will be credited as its discoverer on our Roll of Honour. You may also find it helpful to check out the transcript for part I, which we'll release on 18 July.

Please complete the entry form and email us (claire.wood@leicester.ac.uk and bowleshugo@gmail.com) your solutions by **31 July 2022**. We will publish the results on **15 August 2022**.

SOLUTION

Please decode as much of the text as you can, below, writing your solution for each character or group of characters under the appropriate line of shorthand script.
